### **Club Rules:**

Sporting Barum FC ("The Club") is a Charter Standard Club. Various codes of conduct have been adopted by the club. Access to these documents can be obtained via the website under the club information tab. If you do not have access to the internet please contact the Club Secretary, as above, who will supply you with the documents.

### **Insurance:**

The Club has the required Public Liability insurance. The Club does not have private insurance that covers the players due to the wide variety of employment of the players. If your employment does not provide you with adequate cover for injury, loss of earnings or loss of personal belongings you are strongly recommended to purchase your own insurance. This is especially applicable if you are self-employed. Your signing of the North Devon Football League Player registration form is your acknowledgement of this position and agreement that The Club cannot be held liable for any injury, death or loss suffered while undertakings activities connected with The Club.

Various companies offer player insurance including the company that provides our public liability. If you wish to contact them their details are:

Buddens Westinsure  
1 Sandpiper Court,  
Harrington Lane  
EXETER  
EX4 8NS
